| Q1 | Read the following passage and answer the following questions- | |
| | <p>'Health is wealth', is a well known saying. Without good health life is a burden. When we fall ill we are unhappy. We cannot work or play. Germs cause illness. There are very small living things. They live on dirt and grow in darkness. They get into our body by air, water, food or cuts in the skin and make us ill. Dirt and darkness are the enemies of good health. They breed germs. Sunlight and cleanliness destroy them, so we must keep our body clean to keep healthy and take exercises regularly.
