CCT Practice Item

PAKKA HOUSE CLASS -8

For her autumn break SONA was told by her social science teacher to make a model of Pakka house. She decided to make model of her house for her holiday homework. She did so by using glue, glass sheets and scissors. She put coloured tape around each edge. Measurement of each edge shown in the figure is in inches. (" denotes inch)

1. What is the area of the bottom face in square feet ?
(1foot=12inches)
2. How much coloured tape will be required to put around all edges?
3. What will be the length of coloured tape required for the pakka house, if we decrease the height of bottom cuboid by 10 inch?
4. What is the volume of the cuboid in cubic feet?

केन्द्रीय विद्यालय वायुसेनास्थल बागडोगरा
